Summary

Detail-oriented Software Developer with experience in Python, FastAPI, Django, and ERPNext/Frappe. Skilled in building scalable backend systems, RESTful APIs, and custom ERP solutions. Quick learner and collaborative team player.

Skills

Languages	Python (FastAPI, Django), JavaScript, HTML, CSS
Backend	REST APIs, MySQL, PostgreSQL, Async, OAuth2/JWT
ERP	ERPNext, Frappe, Workflow Automation
Tools	Git, GitHub, Render, PythonAnywhere, Linux CLI, VS Code
Data Entry	MS Excel, Google Sheets, Data Management, Typing, Record Updating, Accuracy Checking
Testing	Pytest, Integration Testing, API Debugging

Experience

Junior Software Engineer — Inovite Services Pvt. Ltd. Apr 2025 – Present — Pune, MH

- Developed and integrated RESTful APIs using FastAPI, focusing on secure authentication and data handling.
- Customized ERPNext applications — Student Management, Hospital Management, and Work Tracker — to automate workflows.
- Designed MySQL schemas, optimized queries, and managed backend data operations.
- Conducted API testing and debugging, collaborating with frontend teams for seamless integration.

Junior Software Engineer — MindCodes IT Solutions Jan 2025 – Mar 2025 — Pune, MH

- Built a FastAPI-based e-commerce backend with 20+ REST APIs for authentication, cart, vendor, and product modules.
- Improved MySQL performance by 30% using async queries and schema optimization.
- Developed unit and integration tests; collaborated with frontend team for feature integration.

Projects

AI Book Recommender bookbot-ai.onrender.com
FastAPI, Python, NLP, OpenAI API

- Personalized book recommendation app using NLP and FastAPI.
- GitHub: github.com/Amey-Golait/ai-book-recommender

IceCreamShop Web App icecream-wonderland.onrender.com
Django, Python, HTML, CSS, Bootstrap, SQLite/PostgreSQL, Render

- Online ice-cream store with responsive UI and backend APIs.
- GitHub: github.com/Amey-Golait/IceCreamShop

Education

2023–2025	MCA — **Pratibha Institute of Business Management**, Pune (CGPA: 7.24)
2019–2022	BCA — **SMT Maherbanu College of Science and Commerce**, Akola (73.64%)

Certifications

2024	Salesforce Certified AI Associate — Trailhead
2024	Cloud Computing — NPTEL
2024	IT Specialist (Python) — Certiport
